Dear (b) (4),

You are receiving this notice because our records indicate that (b) (4) has not submitted a Partner Response Form ("PRF") for its disqualified product as requested by the U.S. Environmental Protection Agency ("EPA") on (b) (4) (see attached).

Organizations responsible for ENERGY STAR products that are disqualified through ENERGY STAR verification testing are required to submit confirmation of product control measures ("PCM") taken to control the sale, distribution and promotion of the affected units in the marketplace.

(b) (4) PRF is overdue. Failure to submit the requested information by (b) (4) may jeopardize its ENERGY STAR partnership benefits.

Please access the PRF at www.energystar.gov/prfnd.

Please submit any correspondence regarding this notice, including the PRF, to [Mariah Steele](mailto:Mariah.Steele@energystar.gov) and enforcement@energystar.gov.

If you believe you have received this message in error or (b) (4) has already submitted the required PRF, please indicate this in your response.

Thank you.
